

Karina!

Hello my dear friend! Dan & I wanted to take a moment to again thank you so much for leading with us on SB3. Friend, it was truly an honor and joy to get to be teamed up with you and walk alongside you for the second year in a row on SB3 & for your final year of undergrad! What a privilege & man, how did I get to be so lucky?

I know this year was one of challenge, but friend, it was also one where I think God reminded us all of the power of his redemption through witnessing

(I thought for a second I would start here lol)

~~your~~ your life & courage to press in & engage this year. Dude, God has done so much in your life the past 4 years & also you have taken so many brave & faithfilled steps in the journey. I have learned so much from you about walking w/ Jesus in the raw places of life, and I truly believe He has & continues to use you in the lives of others, ^{lucky enough to get to be in or life} to do the same.

Thank you so much for all the ways so served, sacrificed, stepped out in faith, pressed in, led, & loved on SB3 this year. And thank you for your friendship!

We love you & appreciate you so much & wanted to give you this gift as a small token of our thanks!

Much Love,

Jessie & Dan
